DEDICATION

Although the high school years are ripe with exciting experiences, new knowledge, and warm friendships, they are also years of turmoil, confusion, doubt and disillusionment. Made uncertain and bewildered by new and different situations, we need the guidance of one more experienced than ourselves. Since the spring of 1953 we students have had the understanding help of such a person. With skill, perserverance, and a deep sense of responsibility, this Cortland High School administrator has demonstrated a constant willingness to serve others. Her warm good humor, combined with her strong ability and indomitable spirit have responded to our persistent need. Through her work she has given new definition to the words devotion and love. Humbly, we the Class of 1963 offer our thanks as proudly we dedicate this 1963 CO-HI-AN to you, Mrs. Lucille Crocker.

FOREWORD

What is a year in memory but a few sharp images thrown against a hazy backdrop of events, places, names? Who can recapture between the covers of a book the excitement and disappointment, the minor fears and little joys, the work and enjoyment of even a single day?

We have tried.

We have tried to furnish the hazy backdrop, the foundation of memory; this makes up the bulk of this CO-HI-AN. Also here are some of the sharp images. Read and enjoy, and share with us the memory of these focused highlights. Or better yet, recall your own.

CONCERT BAND

Year after year the CHS Music Department produced bands which rank among the state's finest, on the football field, and in the concert hall. This year is no exception; with patience and skill, Conductor Alfred Fabrizio has developed in the band an even greater degree of perfection. Supplying three members for the state-wide All-State Band, a recording session, and a tour of Central New York — these are some of the accomplishments of this outstanding organization. For its annual Spring Concert, the group hosted world-famed trumpeter, Rafeal Mendez. As in the past, the bandsmen received the highest rating while playing the most difficult music.

FOOTBALL

Blasting their way to an impressive second place in the newly-entered Syracuse City League, the Tigers showed the "big town" that football is football in Cortland. The Tigers outplayed their foes and went away from the grid-iron with seven decisive victories, while the Junior Varsity and Freshmen were undefeated. Major reasons for this impressive season are the expert coaching by "Mush and Jack" and the great team spirit, which in some cases was provided by the opposing teams' followers. With most of the starting team being Seniors, the Class of '63 was well represented; good luck to next year's team!

BASKETBALL

Young and inexperienced, the 1962-1963 Cortland High basketball squad gave their all in each of their games. Throughout the season, the Purple Tigers kept their pride high and were never beaten in desire. Their actions on and off the court showed the true spirit of a CHS athlete. The games were always exciting, offering many thrills to the last second. Youth, spirit, and sportsmanship — that was this year's basketball team.
